## What's Up With Summer Camp 2010?

Pastor Matt details Summer Camp 2010 and tells how you can go for free.

**What's Different This Year?** Lots. Well, first it's a new location in Cocoa Beach, FL. Second, we've added a missions/service component. Third, we're staying an extra day. Fourth, free times are super sweet. Finally, parents can keep up with camp each day through our blog, including videos and pictures.

**What's Up With the Missions Part of Camp?** We're working in coordination with Pastor Johnny & the Southern Baptist Convention to serve Cocoa. We'll be offering free stuff like car washes, cookies, maybe even surf lessons. Right now, we're planning to canvas the area with invites to a big concert on Friday.

**What's the word on team colors?** Don't know yet. Our adult team is still deciding!

**How Can I Go For Free?** Simply invite 10 lost friends and have them register and go! Enough said!!

**Why are we staying an extra day?** Two reasons... 1. Because we've added a missions component. 2. Because summer camp is just that good and could use an extra day!!

**How did you add another day and only increase our cost by \$20?** Because our team has a few master negotiators!! Plus, we're expecting this to be the largest camp ever and that will help our costs.

**Where are we staying?** Hampton Inn Conference Center. No more cockroaches, tile floors, and dark showers! This is first class!!! Nothing but the best this year for our students and adults!

WHO ARE YOU INVITING? IT'S THE BEST YEAR

## MUSIC SPOTLIGHT

### Mainstream Artist

**Background:** A record executive discovered Usher at age 13 on *Star Search*. Since then, he's sold more than 40 million albums worldwide and has won five Grammy awards. *Billboard* magazine called him the second-greatest artist of the previous decade.

**Albums:** *Raymond v. Raymond* (2010), *Confessions* (2004), *8701* (2001), *My Way* (1997)

**What Parents Should Know:** Most of Usher's songs are about relationships and love, but many also deal with sexuality—in very explicit language. Usher's non-profit organization helped rebuild parts of New Orleans after Hurricane Katrina.

**What Usher Says:** Regarding his growth as an artist, Usher says, "The knowledge that rests in the mistakes slowly but surely become wisdom.... Where I stand as a husband, as a father, as an individual, as a businessman, is all a testimony to what I've been through and where I've been."

**Discussion Questions:** What are some positive consequences that can result from mistakes? Would it be better if we never messed up? Why or why not? Read aloud Romans 8: 1-4. What do these verses say about our past—and future—mistakes? What attitude should Christians have about our sins, and why?

### Christian Artist

**Background:** TobyMac, a member of the former Christian rap group DC Talk, has gone on to a successful solo career. His songs have been featured on films, TV shows, sports events, and video games, and he won a Grammy in 2009.

**Albums:** *Tonight* (2010), *Portable Sounds* (2007), *Welcome to Diverse City* (2004), *Momentum* (2001)

**What Parents Should Know:** TobyMac is a genuinely talented hip-hop artist. His infectious sounds are a viable alternative to often-propane secular lyrics. He is vocal about his commitment to diversity, saying we are all God's children.

**What TobyMac Says:** "Music is something that can actually open people's minds to who God is. Music will never change the world, but God can choose to use music, and that's what I count on. I want [my songs] to move people's lives forward—move people toward God."

**Discussion Questions:** How similar are you and your peers, culturally and faith-wise? Are you comfortable being around people who look different from you? Why or why not? What are God's views about diversity? Read aloud John 3: 16. What evidence have you seen of God's love for everyone? What can we do to reach across cultural lines?

## FILMWATCH

**Movie:** *Legion* (releases Jan. 22)

**Genre:** Supernatural thriller

**Rating:** R (for strong bloody violence and language)

**Synopsis:** God loses faith in mankind and wants to start over. So he sends his angels to bring about Armageddon on earth. The archangel Michael (Paul Bettany) is now a fallen angel who's siding with the humans. He tries to protect a waitress who might be pregnant with the second coming of Christ.

**Discussion Questions:** Do you think God ever gets disgusted or angry with humans? Do you think he ever punishes us for our sins? Explain. What is God's plan to save our broken world? Read aloud Matthew 24:30-31. What do you think it will be like when Christ returns to earth? Do you want that to happen during your lifetime? Why or why not?
